

AESG Scholarship Programme

ALDERLEY EDGE SCHOOL FOR GIRLS

# Scholarships

#### Overview

At Alderley Edge School for Girls, we are keen to nurture and recognise exceptional talent. Scholarships hold a position of honour at AESG and a scholarship will allow your daughter to play a key role in the life of the School and will open a world of opportunities from which she can expand her learning.

We do not offer a reduction in fees for scholarships but offer an extensive programme of opportunities relevant to each Scholarship; Academic, Art, Music, Sport or Performing Arts. We want the girls themselves to benefit from the Scholarship opportunities available to them during their time at the School and flourish in their chosen field.

Scholarships are available to girls joining the Senior School in Year 7, Year 9 and Sixth Form and will be reviewed annually against the expectations set out for each Scholarship. If a pupil is no longer meeting the criteria then the scholarship will not be awarded for the following academic year.

### Academic Scholarships

#### Year 7, 9 and Sixth Form

Academic scholars are chosen as being amongst the brightest academically in their cohort, destined for outstanding results. More significantly, they should also show a certain flair and independence of mind. They should be engaged, curious, self-reliant and willing to take the initiative. They should enjoy challenge and be both resilient and reflective. They should show leadership and empathy as well as be confident in their ability to keep on improving.

The Sixth Form Scholarships are known as Lawrence Fawcus Scholars named after the Chair of Governors of the newly merged Alderley Edge School for Girls. These are awarded based on girls who have outstanding GCSE results, usually levels 8 and 9.
