Summer Term Preparation for Year 10 and 12 Students

Dear Parents and Carers of Year 10 and Year 12 Students,

As we begin preparations for the upcoming Summer Term, we are looking ahead to ensure that we can continue to meet the needs of every pupil and plan effectively for any changes that may arise. To support this process, it would be extremely helpful for us to receive confirmation of your decision regarding your daughter's plans for the remainder of the academic year. We kindly request details of any intended changes, including her expected leaving date where applicable. To enable us to put in place appropriate adjustments over the Easter break, please provide this information by Tuesday, 24 March. Please write to Miss Wyatt (AESGadmissions@aesg.co.uk) and myself (cwood@aesg.co.uk) with this information.

As shared at the Senior School Parents Information meeting and the Year 10 and Year 12 Parent Teams meeting this last week, for these mid-course year groups we recommend that students commence at their new school as soon as possible. This will facilitate greater time to bridge any differences in curriculum and plan for future learning.

For those students who will remain with us for the Summer Term, we will be reviewing class groupings and sets so that we can adapt our provision to best support their learning needs during this transitional period. Our aim is to ensure that your daughter continues to make strong progress and feels confident and well-supported.

In addition, for students staying on through the Summer Term, we are committed to ensuring a smooth and well-structured transition to their new schools or colleges for September. We will work closely with their receiving schools to support this process, and we will ensure that students are invited to relevant events linked to Year 11, Year 13, UCAS preparation, and other key milestones.

Please note that invoices for the Summer Term will be raised following receipt of your confirmation that your daughter will be remaining with us for this period.
